ASSUMPTION OF RISKS, RELEASE OF LIABILITY, AND WAIVER OF CLAIM

I am aware that snowmobiling involves many risks, dangers and hazards including, but not limited to: other snowmobiles, changing weather conditions; natural or un-natural objects: trees, stumps, the condition of snow or ice; changes in the terrain; blind spots or areas of reduced visibility, snow grooming equipment, or other vehicles, or negligence of other drivers or on the part of NESS or its members to safeguard or protect me from these hazards. I am aware of, freely accept, and fully assume such risks and the potential loss resulting there from and release NESS and its officers, members, or sponsors from all liability and waive any and all claims for such loss.

NYSSA President's Message

May 5, 2008

Fellow NYSSA Members:

This year is already well underway. I am excited to be able to serve NYSSA as your president, and I am appreciative of the support of the board of directors. Here are updates on several key issues:

Trail Fund Sweep

I want to thank all those who have been sending letters to their elected officials in response to the NYSSA "call to action" as we try to convince Governor Paterson to direct the budget office to return the \$1 Million that was removed from the NYS snowmobile trail maintenance fund. Our legislators have responded very favorably to the outcry from the snowmobiling community.

We are not finished, however. We are asking every member of a NYSSA club to send letters to their state assembly representatives, state senators, and Governor Paterson. We have also encouraged out-of-state club members as well as local officials and business owners to respond. If you have supporters in your local business communities who depend on snowmobiling, ask them to voice their concern as well.

Our representatives in Albany are working feverishly to convince the Governor to return the money. We will continue to ask our members to send letters so that there will be no misunderstanding about how upset we are with the trail fund sweep, and how important that money is to the safety and quality of snowmobiling in NYS. If you haven't yet sent letters, please do so TODAY!

Executive Committee

The NYSSA policy manual states that the president, vice-president, secretary and treasurer, as well as the chair of the Ways & Means committee, serve on the Executive Committee. In addition to the officers listed above, I am pleased to appoint the following individuals to serve your interests as voting members of the Executive Committee:

Bob Perry (Immediate Past-President)	Elwin Goff (Madison County)	Jim Meyer (Monroe County)
Mike Denapole (Herkimer County)	Anne O'Dell (Ulster County)	Jim Karker (Otsego County)

These individuals have agreed to serve the NYSSA Board of Directors, and will also provide a regional flavor to the NYSSA Executive Committee. You will note that the Executive Committee appointments come from different regions of New York State. In addition, Gary Batchelder was elected as chair of the Ways & Means committee and in that role he will also sit on the Executive Committee. These seven representatives join Gary Broderick, Linda Middleton, Roger McCabe and me on this committee.

With this change in the makeup of the Executive Committee, Hal Fleischman and John Occhino will be stepping down. Please join me in thanking Hal and John for their dedicated and diligent service to our sport. I have no doubt that they will continue to serve NYSSA well in other avenues.

NYSSA Board Meeting

During the NYSSA Board of Director's meeting held on May 3 at the NYS Fairgrounds near Syracuse, I presented my newly formed plan for the Executive Committee, as well as introducing several initiatives resulting from the Strategic Planning committee. Over the next several months, you will hear about these new approaches and you will begin to see the fruit of the work that your board of directors, and the strategic planning committee, put into advancing your interests. Some of those initiatives include:

- **Committee Realignments.** The committee structures will be evaluated during this coming year. As each committee scopes are reviewed, we expect several changes will be made. For example, it is expected that the Ways & Means committee will be renamed the Budget & Finance committee, and Safety committee will become Safety & Education committee in order to more accurately reflect the scope of the committees efforts.

- **Regional Meetings.** One of the Strategic Plan committee recommendations is to hold regional meetings to improve participation from clubs and club members all over the state who are unable to attend the NYSSA annual meeting and forum. To that end, I will propose that the board of directors meet at least once each year in parts of the state other than the Syracuse area. By naming the executive committee members from different regions in New York, I am laying the groundwork for the NYSSA board to consider creating multiple regions across New York, with each region consisting of about 10-12 county districts. If this pilot is successful, the board will recommend by-laws or policy manual changes.

- **Enhanced Communications.** As you know, we have added an online magazine to increase the frequency of communications with NYSSA members. This two-pronged publications strategy allows for a more frequent and up-to-date information flow. Additionally, NYSSA is engaged in discussions with Whelan Media Strategies for a long-term contract to provide media and public relations consulting to the NYSSA board. With the creation of a "publications task group" of the Public Affairs and Communications committee, more attention will be given to a library of NYSSA materials, brochures and pamphlets supporting the work of the NYSSA member clubs.

Mike Fischer

**President's Page****Democracy 101**

You've no doubt heard me talk about the volunteers in this club and the many things they do to keep it running. We manage to get a few who pitch in and, together, make it all work. This remains to be our biggest challenge and common to most volunteer organizations. This time – my plea goes out to *everyone* – yes *everyone*.

There has never been a time in the history of our club that's more important than right now and I'm asking for your help. You see, our elected officials in Albany have just stolen \$1,000,000 from us! Yes, its true - let me explain. Here's a clip straight from NYSSA communications:

On March 7th, acting in accordance with Section 15 of Part T of Chapter 57 of the Laws of 2007, the Director of the Budget directed the State Comptroller's office to transfer \$100 million in available fund balances in Miscellaneous Special Revenue accounts to the state's General Fund. The decision to transfer these funds was based on the state's worsening financial condition, the pending Executive Budget (then under review by the Legislature), and an analysis of the projected cash flows for each account. Over 50 different Special Revenue accounts were affected, across many different agencies and programs. As part of this transfer of these funds, \$1 million was transferred from the Snowmobile Trail Development and Management Account (339-41). While Parks strongly recommended to the Division of the Budget that this action not be taken, this transfer was made pursuant to the law and within the authority of the state Budget Director.

Is "stolen" too strong of a word? I don't think so. In fact snowmobile trail fund money is not "excess" and was put there by *us* for a single purpose. It should not be considered "available" for use for anything else. Simply "sweeping" it into a general fund to be used somewhere else (let's not go there) is just plain wrong. Anyway, trying to fix the real problem will take yet another generation but right now getting our money back is more realistic.

What I'm asking each and every one of you to do is this: Write your elected officials and tell them how you feel. Tell them this is your money and it was put there by snowmobile registrations (not general tax) and you want it back! You can get a sample letter from the NYSSA website if you need. Also, follow the links below for information on your legislators and senators: <http://www.senate.state.ny.us/senatehomepage.nsf/senators?OpenForm>; <http://assembly.state.ny.us/mem/>.

Remember – these people work for you! We have a voice in sheer numbers but *everyone* must speak! Do it now – please! This impacts all of us and the 200+ other clubs in New York.

I want my money back! – how about you? Stay tuned!

See you at the next meeting.

Eric

NOTICE TO ALL:

Due to the increase in postage and printing along with "New York State Million Dollar Sweep", which will decrease our funding by 30%, the Board has decided to go to a E-mail based newsletter!

Please make sure to update your e-mail address on our website at "snoseekers.com" on the contact page. This change will start in the next 30-60 days.

Thank you for your understanding

The newsletter you are reading right now is possible through the efforts of our members. For the most part, Matt Priebe has handled it for several years and has done an awesome job. Matt's growing family and other activities prevent him from continuing this. That's where we need your help!

Actually, its not all that hard. All you need to do is gather the material and compile it on the computer; save a send it to the printer; and whamm! its done!

What a great job for a student! I'll bet we could even get you some credits or something for doing it! You'll pretty much have a blank sheet to work with and the sky is the limit! (almost)

You can do it anytime of the day or night – our only requirement is to have it completed by the second week of the month!

Anyway, we really need this and I hoping somebody knows someone or wants to volunteer themselves to help! I know Matt will help you get started and, before you know it, you'll be an expert too!

Call the snow phone @ 741-NESS or stop in to the meeting!
Thanks!!

Wanted! NESS Newsletter Editor

After 7 years of writing the NESS Express, I am looking to step down and hand over the editor reigns to a different member. Over the past few years, my sleds have been replaced with other hobbies and family priorities. I will miss sitting at home writing the newsletter and helping to inform our members and landowners of the club, NYS, and snowmobile industry. However, I feel that the job may be performed even better by a member with more dedication and participation in the sport of snowmobiling.

It only takes a couple hours a month. Really!

Most of the officers and board members supply the info you need.

The rest can be found easily by the NYSSA website and other internet sites.

Thanks, Matt

Please let us know if you can help and we'll get you everything you will need.

Committees in Need of Volunteers

Administration

Board members –

Attend the board meetings (once a month) and as a group decide on club issues and what is best for the club.

Officers –

Officer positions each require more dedication than a board member. If you're a leader or enjoy overlooking others, an officer position is for you.

Legal –

Help with legal club issues. From our non-profit status to possible legal action against the club.

Membership/PR

Advertising/Trail Guides –

We all shop there or stop in for a bite to eat.

We need ads from local businesses in our newsletter and trail guide.

Newsletter –

Write the monthly newsletter you're reading right now.

Website –

Help keep it updated and moderate what is on it.

Social

Fund raising –

Raffles, parties, booth at events. Just a few ideas. We get money from NYS, but sometimes it isn't enough.

Events-

Help let the members know of things happening in the sport and community.

Club activities-

Christmas party, club rides, summer party. Just a few things we need to improve. Lets get together as a club.

Trails

Landowners –

Answer our landowners questions and help with their problems. Let's keep them happy and always thank them for allowing us to use their property.

Trail captains –

Take care of and pride in a 3 or 4 mile stretch of trail.

Maybe an area near your home. Get your buddies to help.

Grooming/Equipment –

Things break and need maintenance.

From the groomer and drag to a chainsaw. We have a lot of stuff to fix.

Or, Turn on the tunes, up the heat, and head out. Remember, late evening is the best time and we'll train you to drive.

Training

Safety courses –

Help the young and old ride safe. Set up and organize safety courses and discussions at meetings.

Emergency response –

Help the community or a rider in trouble. Sometimes only a sled can get the job done and you know the area well.

Newsletter Information

Message from the editor

I am looking for information to put in each month's newsletter. As you can see, the newsletter looks very similar month to month. **I need information about our club.** Also, I am looking for events, information, news, anything to do with snowmobiling that may interest you and the rest of our members, landowners, and other readers. **PLEASE DO NOT SEND .PDF FILES.**

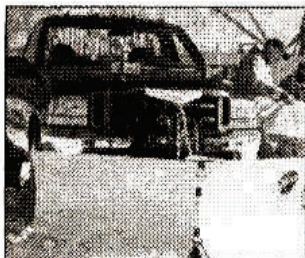

Email me at Priebe.matt@gmail.com

Also, remember, we do sell ads by the month as well as a full year. So let us know if you want to place an ad. The rates are very reasonable and the money goes to help us keep the best trails in wny up and running.

Matt Priebe, NESS Newsletter Editor

Attention Landowners

Let Us Know!!!

Please contact the trail coordinator, any officer, or leave a message at 741-6377 if any area of your property needs attention this year. We greatly appreciate the use of your land for our trails and will do what we can to keep the ATV's and trespassers off.

If you have any concerns or recommendations on how to keep ATV's off your property, let us know. We can address trouble spots while removing the snowmobile trails.

Thanks again for all of your support, without your generosity, we wouldn't have these wonderful trails.

Hillcross snowmobile racing has fast become one of the favorite forms of snowmobile racing for racers and fans alike. Racers line up on a specially built ski run with washboard sections, tabletops, and moguls that are doubles and triples. It's a fast and sometimes frantic pace to the top as the racers are jumping side by side at speeds of over 70 miles per hour to the finish line. It's a wild and fast 20 to 30 second ride while jumping 15 to 100 feet in the air and landing upwards of 50 feet in distance. Hillcross racer participation is up over 7% from 2007 as WSA partnered with Midwest Sports Publishing Network to send out 36,000 year books. This short weekend sport has become a great family outing for many snowmobile enthusiasts. The fans have increased dramatically this past year, it's a sport for everyone to enjoy. And what's not to love? It's a highflying fast and friendly sport. In a short time not only the racers but the fans that were mere acquaintances before become great friends sharing and helping one another.

There are six intense racing weekends; each is a two-day event with qualifying on day one with two heat races and the finals on day two. The 2008 season was held at Telemark, Cable, WI; Quadna Mountain in Hill City, MN; Ski Gull, Brainerd, MN; Cascade Mountain at Portage, WI; Giants Ridge, Biwabik, MN., and the final race of the year was April 12th and 13th at Spirit Mountain in Duluth, MN.

Nate Blaschko of Eagle Lake, MN has been Hillcross racing for 2 and a half seasons to date and is looking forward to another successful season in 2009. Nate currently races a 2005 Polaris IQ 440 in the Sport 500 class and he also races a 2006 IQ modified 600 in the Sport 600 and Sport 700 classes. His sponsors include Maxsled.com, Quality Connection, Technical Solutions, CB Electric, Ratner Steel Supply, Vetter Sales and Service, Froehlich Sandblasting and Painting, Blaschko Building Supplies, Snell Custom, Habervision.com, ProGraphix, Wingert Drywall and last but not least his greatest supporter, is his wife and Officer Tiffany Blaschko of the Mankato, MN police dept. His sled is "Five Oh Funded".

Nate had a very successful season in 2008 finishing with a 3rd place in point standings in the Sport 500 class, a championship in the Sport 600 class and a 2nd place finish in the Sport 700 class. Nate would like to thank all his sponsors, his wife, family and friends for all their help to make his season as successful as it was.
