**President's Page****Will you ride "home"?**

In August's newsletter, I talked about how fast the summer went. Enough of that because winter will be just as fast. We're looking to continue the growth and depth of the club and are always looking for new people to show their skills to help.

Those of you who renewed your membership may have noticed a new donation line on the application. For those who haven't – we've added a line to donate for a new club house! The board discussed it and thought it was time to throw it out there! As you know, we spent last fall and the summer listing all the things our members would like to grow the club and make it more enjoyable. While there are several projects on that list, I think the clubhouse is probably the biggest one we've ever tackled. Now, we're not saying it'll be built this year or next, but we have to begin the process somewhere and work toward that goal. Here's a brief summary:

- A dedicated account has been opened.
- A small portion of every membership dollar will be deposited in that account
- Deposits can come from many sources. 50/50's, interest savings, donations, fund raisers, raffles, or other revenue will be considered.
- We will establish goals and have periodic reviews. All members will see where we are at any time.
- Assuming we are on track, we will establish a building committee to investigate land, structure, and any other requirements the club may need.

I look forward to achieving this milestone. I believe it will help our club grow and give us a place to call "home". Please join us at future meetings to discuss our plan!

Thanks to all who helped out at the Labor Day Fair. We had a pretty good crowd and renewed about 30 members. As always, we look forward to another season and have some work to do. Together, it can work.

See you at our next meeting.

Eric

To all trail captains!!

Please schedule your fall trail work sessions. We need to inventory all signs and stakes and let us know the count. We need to plan for this fall and its tough if we don't know what we have!

Remember: We need to start clearing brush and repairing bridges as soon as possible. Talk with your landowners and discuss with them when work can begin. Also, don't forget to ask each landowner if there were any problem areas last year that need to be addressed this year.

Thanks!

FREE TO GOOD HOME!!!

Small section of trail in Niagara County. Beautiful view, low maintenance, awesome snowmobiling!

Over the past few years we've developed a great trail system in Niagara County. Unfortunately, we've lost some of the trail captains in that area and now need your help! We need 4-6 people that can each take a small section and call it "their own". Requires no experience. We provide great benefits, assistance, and training! Give us a call at 741-NESS, stop in to a meeting, or call Mike Oliver at 772-7687- the future of our trail system depends on it!

Help Wanted – check out the great benefits!!!

We're looking to fill a few spots to help our club grow and become what it can be. The success depends upon you, not others to help make that possible. Take a look and see what you can do to help

- **Newsletter editor.** Now that we're going "electronic", it'll be even simpler! What a great job for a student or anyone who can do it right from home! I'll bet it'll even count for school credit!
- **Social/safety committee.** Need to coordinate 2 or 3 safety training sessions/yr. We have instructors ready to go – just need a champion to coordinate! Also, how about a club ride or summer picnic??? Even simpler when we can get 2-4 people to arrange it! Think about the benefit to our club...hey!!
- **Trail captains.** Take a small chunk of trail and call it "yours". Get your buddies to join and help you! Let's see....get on your sled and ride the trail to make sure its marked safely and no trees fell or whatever....sounds hard huh? Report on how much snow is in your neighborhood. Where do I sign up?
- **Board member/officer.** This is where we decide on what the club will do! We run the business side of things and all help to get it done. Ask any one of the present or past members and I'll bet nobody will say they regretted it! It is really is fun!

Trail Guides for 2008/2009

We're looking for 3-4 people to help to distribute these guides to local businesses. Simply drop off a handful around their neighborhood and replenish as needed. Call Rich at 553-4819

Newsletter Information

Message from the editor

I am looking for information to put in each month's newsletter. As you can see, the newsletter looks very similar month to month. **I need information about our club.** Also, I am looking for events, information, news, anything to do with snowmobiling that may interest you and the rest of our members, landowners, and other readers. **PLEASE DO NOT SEND .pdf FILES.**

Email me at Priebe.matt@gmail.com

Also, remember, we do sell ads by the month as well as a full year. So let us know if you want to place an ad. The rates are very reasonable and the money goes to help us keep the best trails in wny up and running.

Wanted! NESS Newsletter Editor

After 7 years of writing the NESS Express, I am looking to step down and hand over the editor reigns to a different member. Over the past few years, my sleds have been replaced with other hobbies and family priorities. I will miss sitting at home writing the newsletter and helping to inform our members and landowners of the club, NYS, and snowmobile industry. However, I feel that the job may be performed even better by a member with more dedication and participation in the sport of snowmobiling.

It only takes a couple hours a month. Really!

Most of the officers and board members supply the info you need.

The rest can be found easily by the NYSSA website and other internet sites.

Thanks, Matt

Thank You!!!!
