Hello Everyone,

Well, we didn't have a very good riding year, but hopefully this will mean a great riding season next year! I would like to thank all the board members for a great year and look forward to this season which, believe it or not, has started already with planning for the upcoming snow season.

We are going to try for a summer get together party for the club and also some bike rides and 4 wheeler rides. Anybody with some good ideas, please call the Sno-Phone. Keep an eye on the website because we will be posting the events there.

Also as I am writing, a few of the club members are heading to the annual Forum to share some of our knowledge and get some too - you can never learn too much!

Hope to see you all at some summer events or at our monthly meetings on the last Thursday of each month. The dates and times are on the home page of our website - www.snoseekers.com.

Thank you,

Dan

Vice President: Randy is working on the committee process. We need to go through some of the file cabinets to see if there are more details for some in the committee folders.

Treasurer:

- 1) We are setting a policy that the club will not buy food for the board meetings – at least for now.
- 2) We still are waiting for Niagara and Erie money to come in. The checks usually come in March.
- 3) Randy asked if we have a policy for submitting fuel charges? We will stay on the honor system for now.

Federation meetings:

- 1) Niagara Federation. Meeting was cancelled.

 - 4) A few of the guys went to the casino to see the sno-cross – they had a great time!
 - 5) Dan did some research about purchasing a cell phone for our club. It will help with us getting messages and ability to return calls to members and landowners. It will cost about the same each month. Randy made a motion to purchase a cell phone and keep our same number. Rick 2nds. 9 in favor – 3 opposed. It's carried.
 - 6) Elections will be held at our next General meeting. We will vote on 4 officers, trail coordinator and St. of Arms first. Then we will have a second vote for the board member positions. Mary Beth motions, Bill 2nds. All in favor – 0 opposed. It's carried.

President:

- 1) 50/50. Congratulations to Mary Beth!! She won \$ 65 that she donated back to the club.
- 2) We received a thank you note for our Mercy flight donation in Rich Wood's memory.
- 3) We joined the Farm Bureau and we have the directory up on the table here for you to look at.

Vice President: We will be reviewing our goals and objectives for this year and making them for next year. Please be ready with your ideas so we can get this done at our April meeting.

Treasurer: Review bills paid. Rick reviews this month's treasury report. Due to the lack of registrations in NYS this year, there will be a shortage of 25-30% less money available for clubs next year, so we will need to be careful on how we spend our money.

Secretary:

- 1) Our next Board meeting will be cancelled since it will be during Easter vacation.
- 2) Our next General meeting will be April 26th at 7:30 pm at the Tillman Post in Akron. This will be a combo meeting. May, June and July will also be combo meetings. Should we mix it up for the locations of these meetings? Valley Inn, Mazia's, Tillman... we will discuss at the April meeting.

Federation meetings:

- 1) Niagara Federation. Meeting was cancelled.
- 2) Erie Federation. We applied for a grant that the fed offers. The proceeds from the trail guides fund this grant. Hamburg and NESS are the only 2 out of the 10 clubs that applied for this grant – we applied so we can redo our trailheads. We will find out at the next fed meeting if we will be receiving the grant this year.
- 3) Genesee Federation meeting was cancelled.

For the Good of the Club:

- 1) Sneak Peek will be held in Hamburg April 2nd.
- 2) Dan mentioned that the trail coordinator for the Genesee Sno-Packers is ill. He had a stroke. They are having a fundraiser this Sunday. Dan will go and represent our club at the spaghetti dinner.
- 3) E & W G Foundation grant. John G. turned in our application for this grant. We needed 10 sets of the application. Thanks to everyone that helped with this process.

Elections: We have 2 ballots. See attached. Results of election:

President: Dan D.

VP: Randy W.

Treasurer: Rick J.

Secretary: Mary Beth.

Trail Coordinator: Curt W.

St. of Arms: Jeff W.

Board: Jeff B., Al W., Ray S. and Bill P.

Adopt-A-Highway Program

Did you know...

NESS participates in the Adopt-A-Hwy Program for Akron, NY. Two times a year we pick up trash. From time to time we even find treasures. We had our Spring clean up on Sunday, May 1st at 9:00am. It took 2 1/2 hours to get the job done. We also did our Fall clean-up on Sunday, October 2nd at 9:00am. We will have another one this Spring on April 29, 2012! We meet at Maple Rd and Rte 93 at 9:00 am. Our Fall pick up is scheduled for Sunday, October 7, 2012.

Thanks to Ron Rosenberg, Mike Schifferle, Rick Weitz, Rich Pfentner, Dan Dressel, Curt Watts, Frank & Bev Schroeder and the others for working this fall clean up. We had a great crew! They had breakfast first at the Newstead Fire Hall. Does it get better than that? We couldn't have been successful without the support from our members. Do you want your name added to our list?

Come on out this spring and join in on the fun!

FROM THE TRAIL COORDINATOR SIDE

This ends what was a wonderful season, just not intended for snowmobiling. Thanks to those who took care of their section of trail and who did some of the other trails without being told or even asked!! There are a few small sections that still need attention but hopefully someone will get it done. Anyone that need signs, let me know, I have a small list started. Thanks again to everyone and the LANDOWNERS who make this possible!

CURT 772-7186 435-7068

Attention Landowners Let Us Know!!!

Please contact the trail coordinator, any officer, or leave a message on our website if any area of you property needs attention this year. We greatly appreciate the use of your land for our trails and will do what we can to keep the ATV's and trespassers off. If you have any concerns or recommendations on how to keep ATV's off your property, let us know. We can address trouble spots while removing the snowmobile trails.

Thanks again for all of your support. Without your generosity, we wouldn't have these wonderful trails.

Celebrating 15 Years in Business

Greetings from The Phantom Snowmobiler

As promised, The Phantom is letting you know that it's time to panic regarding the snowmobile season. It just never happened. For those who are regular readers, maybe you took the Phantom's advice and went on a snowmobiling trip this year.

The Adirondacks had a few good weeks of snow. Huntsville and North Bay, Ontario had excellent winters. A whole different weather pattern going on up there.... While the Adirondacks were packed with sledders on the weekend, North Bay was a ghost town. The trails were excellent the weekend the Phantom ventured into Ontario. It's great fun being able to dicker on lodging prices when there is no one else standing in line behind you. The Phantom can only guess that perhaps Canada's pricings keeps Americans from crossing the border.

The lack of snow at home left the Phantom with enough sledding money to go to both North Bay and Old Forge. Our club's president, Dan Dressel, was observed having a good time in Old Forge, though longing to clean ditches on Route 93 with the Adopt-A-Highway crew.

One quick note to those who may consider a Canadian trip next year - have your passport or enhanced license with you and make advanced reservations as the border officials don't take kindly to people coming into their country with no clear place to stay. The Phantom speaks from experience - how embarrassing....

The moral of this month's column is this: Last winter was what you made of it. You could have sat at home and waited for something to happen or you could have gone out and made something happen. In any event, next year will be better!!

until then...

The Phantom Snowmobiler - he see's ALL

- Our general meetings are held at 7:30 PM on the last Thursday of each month. Please check our website for location but during the season, they're at American Legion Tillman Post 9 Eckerson Road Akron, New York. It's located right on C4C trail (the bike path at Cedar Street in Akron) so you can come join us by sled! All ages are welcome! Bring a friend, too!
- We spend over 4000 hours/year conducting the activities needed for

"The Best Trails in WNY®"

- We have over 700 members of all ages who share the same passion and enjoy making snowmobiling such a wonderful sport!
- We have two groomers: one we purchased in 2005 and another in 2009. These help us maintain over 100 miles of trail right in your neighborhood!
- Our trail system is possibly only through the generous support of over 200 private landowners. We respect them by staying on the marked trails! Follow the signs - not always the tracks!
- We provide NYS approved Safety Courses for both kids and adults.
