HIGHWAY CLEAN-UP

Marwin's
BAR
& GRILL
741-3431

On the road of life, there are; passengers, drivers & LITTER BUGS !!!! Club member Herman has taken it upon himself to keep our 5 mile "Adopt -A- Highway" section of Rte #93 litter free. For the past 2 years now, Herman has done a solo effort, just him, his bike, and trailer (unit #113B). He knocks out a spring run, and a fall run to keep things looking pretty. As older club members will attest, you can find some...interesting items discarded on the big road heading outta town. Herman reported, out of the (2) full loads of "refuge" he picked up, the trophy find this time was a chain saw, that looked like it had gotten into a fight with the highway mower, and lost.

Big NESS thanks go out to Herman!

Northern Erie Sno-Seekers

The NESS Groomers

Thank You

As 2020 winds down and we get ready to go “green” on trails (hopefully), We want to take a moment to thank the wives, girlfriends, sons, daughters & “significant others” who put up with a loved one, who for the last (3) months has been eating / sleeping / drinking NESS. For some of us as we head toward trails opening up, every spare moment and every weekend is consumed by snowmobile club projects and preparation. We have club members that spend the daylight hours on weekends and after work doing trail work, after hours doing groomer maintenance or sitting in front of a computer working for the club. And then when the snow starts to fall, there’s a handful of club members that are groomer operators, spending their evenings & nights flattening out the moguls and smoothing out the washouts for everyone’s riding enjoyment! Thank You for letting us do what we love to do!

Trails

We are in search of a few club members to become “Trail Captains”. For those that may not know what a trail captain is, it’s a club member that is responsible for marking a section of trail. We supply you with everything you need, you have access to one of the club’s UTV’s to use for trail work. We have some long time existing sections of trail that are to be honest, about as easy as it gets to mark! We have a section of C4C in Genesee County, from Lake

Rd. to the Log Cabin that needs a new trail captain. We also have a section of C4H up in Niagara County from County Line Rd. to the trail head between Gasport Rd & Bunker Hill Rd. There is also a section of C4K that runs between Hunts Corners Rd. and Utley Rd. We really, really need some new folks to come forward to help us out on these sections. We will take the time to assist you in anyway you need help! We really need some new faces and new blood to take on some new rolls in the club. The same handful of folks doing 95% of the work are tired. **Please inquire with Trail Coordinator Al for more info (716) 510-4171**

Meetings

We will plan to hold a general meeting each month going forward, we are extremely limited on where we can go, and who will host us, so stay tuned to the website, and FB for updates. If we can't hold general meetings, we will continue to hold officer / BOD meetings in private. Remember general meetings are held last Thursday of every month, unless it coincides with a holiday.

Community Events & Happenings

Do you belong to another club that's hosting an upcoming event? Is your fire company having an upcoming pancake breakfast? Do you know of a youth safety course coming up at a neighboring club? Are you a sled dealer or retailer that has an upcoming event or sale? The NESS Express is all about our community, and our sport !!! Always feel free to contact me with "what's going on".
